

November 2008

I'd like to welcome everyone to our new center. The kids have enjoyed all the new things. They have so much to do, it's fun watching them. Wondering what they're going to do next. They all love the Wii (I think I'll ask Santa to bring me one for Christmas). Parents, if your children need help with their homework, please let us know. Soon we will have the computer up and running for homework. Also, on November 26th we will be going skating from 12-3. The cost will be \$4.00. Please let us know if your children will be going. If you have anymore questions, please let us know. Thank you for letting us spend time with your children. They are all a blessing!

Thanks!
